

DELTA COUNTY RECYCLE GUIDE

Friends of Delta County Recycling is a citizen advisory council and task force aimed at improving recycling in Delta County. It has been spearheaded by Chaco, Gunnison Energy Corp., Green Triangle: the Sustainability Committee of WSERC and Delta County. The task force developed this informative guide as their first project. Future projects include developing drop off sites or curbside recycling throughout the county for household recyclables, as well as educational events, website support with disposal information about hard to recycle items, and special recycling days. For more information please call 874-5711 or go to www.DeltaCountyRecycling.org.
